BOMBOMB

This little fella I made for me! I filled it halfway with unpopped popcorn kernals, so it's well weighted and it's my new paper-weight. He's Bomomb, from the Mario Bros. games. I always kinda liked him LOL

BOMBOMB

Materials:

WW yarn in black, grey and gold

G Hook

Fiberfill (and some unpopped popcorn or plastic filler pellets if you would like to make it into a paperweight)

Tiny bits of white felt

Yarn Needle

Sewing thread to match felt

Gauge isn't really important here, as long as you ensure that your hook, yarn and tension result in a fairly tight stitch. Using different yarn types and hooks can give interesting results and make a larger or smaller plush.

I highly recommend using the 'invisible decrease' especially when working in the round. While it's not completely invisible, it does help to reduce the gaps that concentric decreases tends to leave behind. Overall, it just ends up looking alot neater.

You can work in joined rounds or continuous rounds, whichever is most comfortable for you.

BODY:

Rnd 1: 6 sc in magic ring (6)

Rnd 2: 2 sc in each sc around (12)

Rnd 3: sc in next sc, 2 sc in next sc around (18)

Rnd 4: sc in next 2 sc, 2 sc in next sc around (24)

Rnd 5: sc in next 3 sc, 2 sc in next sc around (30)

Rnd 6: sc in next 4 sc, 2 sc in next sc around (36)

Rnd 7-10: sc in each sc around (36)

Rnd 11: sc in next 4 sc, dec over next 2 sc around (30)

Rnd 12: sc in next 3 sc, dec over next 2 sc around (24)

Begin stuffing at this point and continue as work progresses. If you want to make a paperweight, add popped popcorn OR plastic weight pellets to about half way up and finish the rest with fiberfill.

Rnd 13: sc in next 2 sc, dec over next 2 sc around (18)

Rnd 14: sc in next sc, dec over next 2 sc around. Switch to grey yarn in last (or joining) sc (12)

Rnd 15: Working in Front Loops Only, sc in each sc around (12)

Rnd 16-17: sc in each sc around (12)

F/O and leave tail. Stuff the neck to the top, but do not close.

CAP

Using grey:

WIND UP KEY:

Ch 19. Sl st in 2nd ch from hook and each ch to end, sl st to form a 'ring'. F/O

Bend ring in the middle and secure into a 'figure 8 shape'

FEET:

Using gold:

Rnd 1: 6 sc in magic ring (6)

Rnd 2: sc in next sc, 2 sc in next sc around (9)

Rnd 3-6: sc in each sc around (9)

Rnd 7: dec over next 2 sc around to last sc, sc in last sc. F/O

Feet are not stuffed, but just flattened out.

ASSEMBLY:

Sew feet to the bottom, using photo as a guide. Sew the wind-up key to the middle of the back.

Cut two small oval shapes for eyes from white felt. I recommend using plain paper first and pinning on the doll to make sure of size and placement. Once you have it like you want it, sew the felt eyes on.
